Pebble Painting

You may have seen if you have visited us, that we have hidden beautiful, colourful stones around the grounds. Have a go at home to paint something inspired by the Castle, its grounds or the sea.

What you will need:

- A smooth stone (please save our coastline by *not* taking stones from a beach)
- Pencil / thick felt-tip pen
- Poster paints
- PVA glue or varnish

How to make your painted pebble:

- Pick something which reminds you of the Castle, you could go for a walk around our grounds to inspire you
- Draw the design on your pebble
- Paint your pebble using lots of bright colours
- Leave to dry
- Use a felt pen to re-draw outlines
- Paint a layer of PVA glue or varnish to make your stone waterproof
