

# Let's make a wall hanging for Mother's Day

Big houses such as Highcliffe Castle often had wall hangings. They might show pictures of the owner's favourite things, places they liked to visit, or scenes from history which interested them.

This Mother's Day, you can create your own wall hanging about someone who you think is special by following the instructions below.

## You will need:

- Paper or card
- Scissors
- Coloured pencils or pens
- Ribbon or string
- Sticky tape

## Instructions

- Choose your template and print it out
- Use bright colours to decorate the shapes. You could even use some tissue paper if you want
- Write your own special message on the blank shapes or draw some pictures. The word box below may help you
- Carefully cut out the shapes
- Attach all the different parts of your wall hanging together using ribbon or string. You may like to ask a grown-up for help. You could use sticky tape to do this
- Give it to your special person.
